NUTS EXCLUSIVE!

BB babe strips just for *Nuts*!

When we first clapped eyes on Dublin beauty Noirin on this year's *Big Brother*, we couldn't help imagining how she might look in all her topless finery. Well, we no longer have to imagine because here she is. Lordy! ➡

FOR THE FIRST TIME!

"This is the last time I book a dwarf photographer!"
"I REALLY LIKE MY BOOBS!"

Hi Noirin! This was your first ever topless shoot. How did it feel? I have to admit, it was a bit scary at first because I've never really seen myself as a topless model. But then, when I was in the *Big Brother* house, my ex-boyfriend leaked those topless pictures of me, so everyone started thinking I'm some kind of sexual person – which is probably why I'm getting so many rude shoots. But, if anything, it's a compliment.

How did you feel when you heard those topless shots had come out in the open? The worst thing was they didn't even show the good ones! That's what annoyed me the most.

Where's your favourite place to be topless? At home when I'm getting ready for a night out. I know that sounds really silly but me and my girlfriends always get ready together and we walk around the house in just our knickers!

Crikey! In films, lots of women leave their bra on in bed – do you? No! I'm not ashamed of my body. I really like my boobs! I know big boobs are attractive but I'm more than happy with what I've got.

So you wouldn't swap them with anyone else's? No. I think if you're unhappy with your body, you're unhappy in general, so you need to learn to love yourself! Once you're happy, more people will want to spend time in your company. ➡

Her nipples were scared of horror films

What do you think the reaction will be to this shoot? I think a few people will be shocked by it. But, hopefully, it'll be a pleasant shock. I'm sure I'm going to ruin *Nuts* for a lot of my male family members, though. Sorry, guys!

Is this one of the sexiest things you've ever done? Yes, definitely. I've never done a shoot like this before, so it's new and very exciting – and definitely sexy! I'm used to having my boobs out now, so I feel a lot more confident. Who knows? Maybe you'll see more of them in the future!

We hope so! If you could direct your own shoot, what would it be like? I'd love to do one with me and a guy – maybe a bit like that Armani one with David and Victoria Beckham. Who would be my ideal man to model with? Brad Pitt, without a doubt. He's gorgeous!

If you were to get into acting and someone offered you a nude scene, would you do it? Yeah, I reckon so! I'm a very liberal person – I'm not shy or squeamish about anything. So I'd be well up for it. "Never say never" is my motto! ➡

"I'M NOT SHY ABOUT ANYTHING!"

***Big Brother* is going to be axed soon – what do you think about that?** It's sad because me and my friends have always watched it. For me, it's the best reality TV show ever. It's entertaining and it teaches people a lot. For example, I didn't know about Tourette syndrome before Pete Bennett was on the show a few years ago. It gives you a better understanding of things.

If you could go back in time, what would you do to improve *Big Brother*'s viewing figures? First of all, I'd put more hot guys in the house! Secondly, I'd make it not so politically correct. We weren't allowed to do anything when I was in there! Finally, I'd give all the housemates more alcohol so they'd lose their inhibitions. I'd like more risk-takers in the house.

In the latest series, Marcus bragged that he'd found secret areas in the house, away from the view of the cameras, where he could indulge in a bit of self-pleasure. Do you know where those places are? He and I tried to figure out where the best places would be, but I think he used the old duvet technique in the end, which was creepy! And no, I didn't get involved in that! ➡

"Do you mind, love? The second half is about to start"

She had a novel way of making the plants grow

Captain Picard loved his birthday treat

"I CAN HANG COAT HANGERS OFF MY NIPPLES!"

What are your Irish credentials? Can you down a pint of Guinness? No, but I can down a pint of cider!
What's so good about Irish ladies? The fact that we're spontaneous and always up for a laugh.
Go on, then, tell us a joke. Most of my jokes are really rude! OK, here's one for you: What did the gay woodworm do to the door? Nothing – he just ate the knob!
What's the reaction been like to the last shoot you did with us? It's been great! I've had a lot of comments from black people especially, congratulating me because there aren't many black glamour models.
How does it feel to be potentially one of the last hot *Big Brother* babes? It's very flattering. I didn't expect that when I went in, so if you want to give me that title, it's very nice!
Do you sunbathe topless on holiday? Yes. I didn't in the *Big Brother* house, though, because at that point, I didn't want everyone to see my boobs. I'm definitely not shy when I'm on holiday, though!
Have you got any special skills? Yes – I can hang coat hangers off my nipples! Ha-ha! How do I know? My friends tried it once when we were getting ready for a night out – and they stayed on!
Fair enough! What do you do on your days off? Shop. I live to shop! Me and my friends will go for lunch, then go shopping. I buy a lot of dresses. Or I'll clean my room – I'm a bit of a neat freak.
Do you follow a football team? I like Arsenal – but only because I like the hot players! It was a shame when Thierry Henry left.
You've broken up with that fella you were going out with – does that mean you're on the market? Indeed, I am. I'm looking for a nice guy – he doesn't have to be a footballer! But he has to be funny. If he didn't keep me on my toes, I'd get bored.
Finally, what have you got planned for the future? I've got loads going on. I'm going to be dead busy for the next couple of weeks but after that, I'll have the chance to do what I want. I really want to get into presenting. Remember that show *Streetmate*, which Davina McCall presented? I want to bring that back – so watch this space! ■
